1. Thou art holy for I am holy. I have given you this season for a reason and that reason is Me and to be pier'd in Me ever so deeply and even deeper. Yea, see that I have said, see that I have called, see that I have come and explain and explain and give you details more I will about this season, this very season, these months past that you have been so without.

2. I love you and I pier you this day; yea, even deeper in Me. Joy of joys; oh, sorrow none, sorrow none, sorrow so very little. Yea, there is some sorrows, there are some sorrows almost overcome. But, yea, great grief in Me not; but yea, great delight, great abundance, great joy. In the sorrow of My hand not, but the move of My hand to move abundance into you now. I love you and I give you Me. I give you sunshine and rain, I give you flowers and cultivation of only Me. I love you.

3. Think it not strange that which comes, that which goes, those who come and those who leave. Think it not strange, for have I not said multiple times "I connect, I sever, I connect. Forgive, forgive, forget." Yea, forgive all and in Me see and monocular be. Upon Me, into My eyes, seeing Me. Yea, in My mirror look and see the twinkle of My eyes in you, at you, facing you, eyes wide open. I love you and I give you this day; I give you Me and all that I have said is true and everlasting. Watch Me.

4. Watch Me come close and closer still, yea, now, My supply trains arriving, arriving any day now, yet, yet, behold Me. My supply trains arriving, yea, even this week in mini-fold measure but, yea, into Me see, manifold of Me coming forth, yea, the crack of dawn. I love you.

5. Thank you for speaking My words, teaching My words, sharing My words, publishing My words, being My words, being My word, My word made flesh. Yea, with value systems of only Me; not man's, not tainted, not errant; but yea, in Me alone.

6. I love you and I give you forthrightness with wisdom great, tact; yea, wisdom, knowledge and understanding in communications that you have sought and asked for, wanting to know how to talk, speak, and communicate, yea, effectively. Doing all that I have asked.

7. Thou art holy for I am holy and I am holy on My frame and throughout and through-in and in-through and through, and yea, back out again. My frame is shown and My body comes forth with rivets not; but, yea, impervious to that which is not Me. No rivets needed.

8. I love you and I shine upon you this day. I grace you and your friends, your friends that come strong along side of you now. Yea, in pursuit of happiness, the happiness that

comes only from being with Me, in Me in My chambers; yea, alongside you now. Watch Me.

9. Watch Me lift the fallen, alive the dead; yea, teach and preach and show the world who I am like never, ever before; like never, ever thought of; like never, ever entered most of men's mind. Yea, thou shalt behold Me, The Lamb, in My brethren. Watch Me. Watch Me do things never before done, never before imagined, wowing the un-wow-able, stopping that which should be stopped, yea, long ago. I love you.

10. I give you the power to be Me, to be Me and raise Me's all over this globe and beyond. Yea, yes, beyond your realm-thought. Because you have thought Me and you limit Me not, you limit Me not, you release My DNA full in Me to be all that I am, unrestricted in your frame; yea, your framework unlimited because it's now mine. Mine replete, covenant replete.

11. Yea, into Me see. Enjoy the smiles and laughter and stampedes-almost that take place to hear you, to hear My words of exhortation; and hashed-over, worn-out clichés, not. Yea, the generalities of vague, nebuli not! But, yea, and see, behold! For to behold, for to be now the man I Am, the woman I Am, the boy I Am, the girl I Am. I am My body, I am My Father, My Father is Me; yea, My Father is you.

12. See all I have said, see how I keep delineating not in restrictive purposes; but yea, how I have given My all and invite you to I Am with Me on My throne this day and forevermore.

13. Think it not strange who chooses and who chokes on My truth. It's okay, they choose, they choose, every day they choose. They choose the intimacy, the discipline, the correction, the monolithic monocular path into Me to receive My correction and, yea, My voice dimensionless; or they limit Me and thereby limiting them to dimensions only that they choose and think they can handle.

14. Oh, forsake not the ways of thy youth when you would learn, you would lean on Me, you would come and hug Me and, yea, dance in multiple back yards.

15. Yea, learning centers of only Me; yea, with Me, with Me, Me with Mine, yea, My mind being imparted day after day, breaking down the dimensional boundaries that constrict and speak of things not as though they are, when in actuality, reality, they are not! I love you; I give you Me.

16. All I have said is true and everlasting and rivets now come, giant bolts of steel, nuts and bolts and beams and feel of Me, making My framework seen and, yea, beaming Me soon into all parts forthwith, forthright, manner with means efficiently, effectively. Yea, whoremongers not, purified ones who in purity have sat before My throne; yea, knees crossed, knees bent, flat-out, prostrate, yea, on their face in many manifold angles and anguish sustaining at times to persevere and perseverance be. Yea, pressing into Me, the Kingdom of Heaven suffering violence and the violent taking it by force; those who will not be removed, yea, dissuaded from knowing that there is so much more in Me than has ever been thought, yea, even to this very day that I speak, that I speak, that I speak as you walk in Heller Park.

17. I park you not but now I take and I fling My words, yea, through your mouth, through ventures mighty, yea. Yea, stockades not, stockyards not; but yea, stargazing; yea, star creating in Me. Watch Me and how My stars create; yea, with My hand, with My word; yea, with My body now who will be Me with Me; yea, upon My throne and I Am with I Am, not thinking it robbery to be equal with Me, for covenant I am and covenant you explain the rest of your days. For I am Me and I forthrightly am coming in Me in power in your body and might. Watch Me. Forthright, fortnight and less; yea, I am. Good day.
